For the second consecutive year, Carolina Goldstar swept the Boys U10-U13 titles. At the U10 age level, Carolina Goldstar defeated Triangle FC, 3-1 in the championship match. In round robin play, Carolina Goldstar won all four of its matches to claim the U11 championship. The club took home the U12 title with a 6-2 victory over Triangle FC. In the U13 age group Carolina Goldstar defeated a tough Port City team 4-2.

In the girls' competition, Matthews USA won a pair of North Carolina Cup championships. The U10 title came courtesy of a 6-2 victory against Triangle FC, while Matthews USA won the U11 bracket by sweeping its four round robin games. Tournament host Triangle FC's U12s won the North Carolina Cup's most exciting final by defeating the BSC Cardinals, 4-3, in a penalty kick shootout.

All US Club Soccer clubs, academies and league team members located in North Carolina were invited to participate. The North Carolina Cup consisted of a round robin format with championship games played on the afternoon of Sunday, Dec. 3. Winners of the U12-U13 North Carolina Cup will be given preferential seeds at US Club Soccer's [2007 National Cup VI Regionals](#).

The US Club Soccer State Cup provides an alternative to the current "state cup" by allowing clubs to develop a competitive format as they see best in their respective state. A US Club Soccer State Cup may have multiple competition levels, include home-and-home series, and have a flexible schedule and roster rules. Results from all [US Club Soccer State Cups](#) will be factored into the [2007 National Cup VI](#) seeding.
